► **KNOB HT4140 - BACKPLATE HT3193v**

A handsome neoclassical design, the HT4140 knob is notable for its bold perimeter detail and impressive weight. The Greek key motif achieves its depth and crispness from hand chasing. The HT3193 backplate, with its highly undercut geometric detail, provides the perfect frame to the knob's face.

See HT3193v for additional backplate information.
