► **LEVER HT6014 - BACKPLATE HT3001**

Inspired by Bauhaus models, the HT6014 lever's reduced shaft further abstracts this classic design.

The 4-1/2" lever is shown here with a 1-3/8" diameter backplate which can be surface-mounted or mortised flush. See HT3001 for additional backplate information.

See HT6240 for coordinating lever design.
