

► **WIRE PULL HT9061v**

The clean geometry of the HT9061v wire pull makes it suitable for a variety of uses, including cabinet and drawer pulls and window sash lifts.

The pull mounts with screws in the visible flange (see diagram). The HT9510 is a coordinating edge pull.

LENGTH	WIDTH	PROJECTION
4"	1-1/8"	1-1/8"
4-1/2"	1-1/8"	1-1/8"
